DESCRIPTION

The Illa drawstring bag in cotton serge (38x41 cm) offers a lightweight, easy-to-carry solution for everyday use and promotional distribution. The lower panel is finished in natural cork, giving structural support and a distinctive tactile surface; the bag closes with sliding cords that double as long straps. Available in 1 colour, for example beige.

The design is clean and pocket-free, with neat seams for a tidy appearance in use. Braided cords make opening and tightening simple, while the cork base improves abrasion resistance without adding bulk. Practical dimensions (38x41 cm) suit brochures, garments or personal items.

Have this personalised drawstring bag printed using flex, screen printing on object, multicolour transfer or DTF printing. Ideal for companies, sports clubs, associations, events and individuals seeking a natural-looking promotional item. Minimum order: 50 pieces (colours and sizes combined).
