DESCRIPTION

The Illa Tote is a cotton twill shopping bag (160 g/m²) with a natural cork panel at the base. Its straight cut and long straps make it practical for carrying documents or purchases. Cork is a natural, porous material, which can affect print results; wipe the cork section with a damp cloth and allow to air dry.

Measuring 38 x 41 cm, the bag provides useful capacity without being bulky; the twill weave gives a structured look and the reinforced straps make shoulder carry comfortable. Note that print appearance may vary between items due to the natural texture of the cork.

Customisation available by flex, screen printing on object, multicolour transfer and DTF printing. Ideal for companies, sports clubs, associations, events and individuals seeking a personalised tote bag. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
