DESCRIPTION

Compact wooden gift set (13 x 8 x 14 cm) containing four wine accessories: waiter's corkscrew, bottle stopper, pourer with cap and foil cutter. The miniature barrel shape provides stable support and a warm wood finish that suits both corporate gifts and hospitality use. The unit is easy to wipe clean and designed for everyday presentation and serving.

Each tool slots into a dedicated cut-out in the wooden block, keeping items secure and neatly displayed. Rounded edges and precise machining protect the metal pieces and make the set simple to handle at tastings, events or as a promotional present.

This gift set can be personalised by laser engraving or pad printing to add a logo or text. Ideal for businesses, clubs, associations and events — available from a minimum order of 12 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo prior to marking.
