DESCRIPTION

Compact 8.5" LCD writing tablet in ABS (14.5 x 22.5 x 5.5 cm), supplied with a stylus and powered by a single CR2020 battery. The screen clears with a single touch of the erase button, making it suitable for quick notes, drawing or classroom activities. Its lightweight construction and slim profile make it easy to handle for children and convenient to carry to events or workshops.

The tablet features a recessed stylus holder and a smooth writing surface that requires minimal maintenance. Its dimensions offer a comfortable writing area without excessive bulk, so it slips easily into bags or work kits used by schools and clubs.

Customisation is available by tampography, doming or digital printing for schools, associations, corporate giveaways and event merchandise. Minimum order: 50 pieces (colours and sizes combined). A practical personalised writing tablet for promotional campaigns, educational packs or member gifts.
