DESCRIPTION

The Folder2 Go colouring set is a lightweight paper kit designed for children and suitable for schools, clubs and promotional events. It contains 6 coloured pencils, 30 colouring sheets made from recycled paper, a pencil sharpener and an eraser, all housed in a slim folder measuring 20 x 1.6 x 21 cm with integrated carry cut-outs for easy handling.

The paper folder features side cut-out handles and an inner insert with slots that keep the pencils and accessories neatly in place. The natural paper finish provides good grip for coloured pencils and simple, practical use on the go; maintenance is limited to replacing consumables such as pencils or the eraser.

This personalised colouring set can be decorated by tampography, digital printing, doming or screen printing on objects. It is suitable for businesses, associations, schools and events looking for an eco-friendly giveaway. Minimum order: 40 pieces (colours and sizes combined). Logos can be applied to the folder cover or to an internal label depending on the desired look.
