Country of origin	China
Carton	100 pieces

DESCRIPTION

Unisex Joggy backpack made from PET ripstop, offering a lightweight yet tear-resistant construction ideal for sports and promotional use. At 29.5 x 11 x 42 cm it keeps a compact profile, with a front zip opening for easy access to the main compartment. Mesh shoulder straps improve breathability and the bag folds away into the included removable pouch. The backpack is available in several colours, for example Black and Royal Blue.

Functional details include a reinforced-looking base, clean stitching and a visible front zip. The detachable pouch clips on for neat storage when folded; the ripstop texture helps reduce tearing during regular urban or athletic use, making it practical for events and everyday carry.

This personalised backpack can be marked using flex, screen printing, multicolour transfer or DTF printing. It’s suitable for companies, sports clubs, associations, events and private buyers looking for a foldable promotional backpack. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production and collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
