DESCRIPTION

Wooden stacking game made of 54 blocks, supplied in a cotton drawstring pouch. This unisex indoor game is compact (5 x 5 x 17.5 cm) with smooth-cut wooden pieces and a natural finish that’s pleasant to handle for children. The set is lightweight and easy to carry; clean the wood with a dry cloth and avoid prolonged immersion to preserve the pieces.

The cotton pouch keeps the blocks protected and makes storage straightforward after play. The raw wood finish reduces chipping and ensures stable stacking during play. Its small size makes it suitable for promotional giveaways, club activities or indoor events.

This personalised indoor game is sold with a minimum order of 25 pieces (colours and sizes combined); smaller quantities can be arranged with additional charges. Available marking techniques include screen printing, transfer, DTF printing and flex for decorating the pouch or blocks. Recommended for companies, sports clubs, schools, associations and events — free quote within 24 hours on weekdays and a graphic studio available to refine or vectorise your logo.
