DESCRIPTION

The Lips cube lip balm is a compact wax-based cosmetic presented in a square ABS case measuring 3.5 x 3.5 x 3.5 cm. Dermatologically tested and offering SPF10 protection, it features a spherical applicator that applies smoothly and a vanilla flavour for pleasant everyday use. Its solid, pocket-friendly format makes it convenient for giveaways and travel. It is supplied in several colours, for example blue, red or black.

The square lid removes easily to reveal the balm ball; the plastic finish provides durable everyday handling and discreet protection inside bags. Its small footprint makes it well suited to event packs, welcome kits and promotions where a compact, attractive cosmetic is required.

Available to personalise from a minimum order of 250 pieces (colours and sizes combined), this item can be customised with Doming, pad printing or digital printing.
