Folding ruler 1m

Ref. 9591

Reference	9591
Composition	PS
Material	PS
Average weight	0.042
Dimensions	13 x 1,3 x 2,6 CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

Folding carpenter's rule, 1 metre long, model Meter, made from PS with articulated joints. Its compact, rigid design extends to a full metre and folds down for space-saving storage. Centimetre graduations provide clear, practical measurements for site and workshop use, and the material keeps the rule lightweight yet stable in hand.

The rule features linked folding segments for consistent folding and clean edges that allow it to sit flush against surfaces. Its folded dimensions make it convenient to carry in a toolbox or work bag. Care is straightforward: wipe clean and check the hinges occasionally for smooth operation.

Customisation is available by pad printing and digital printing — ideal for companies, trade schools, associations and promotional events seeking a practical branded item. Note: this promotional item has a minimum order of 100 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Our studio can vectorise your logo and include the marking in the quote.
