DESCRIPTION

The Portobello cotton shopping bag (38x9x42 cm) features a simple, practical cut suited to everyday use. Woven from a lightweight cotton fabric, it provides a wide opening and long shoulder straps for comfortable carry. It folds flat for easy storage and is offered in several colours, for example beige and other shades listed on the product page.

The bag includes side gussets to increase carrying capacity and visible stitching that reinforces its structure. The straps are securely stitched to the body and there is no closure, keeping the design straightforward and user-friendly. The stated dimensions ensure a useful volume for groceries, documents or promotional items.

We offer personalised shopping bag customisation by screen printing, multicolour transfer, DTF printing or flex, depending on the desired finish. Suitable for companies, sports clubs, associations, events and corporate gifts. Minimum order: 50 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo before production.
