DESCRIPTION

The Portobello cotton shopping bag (38x9x42 cm) is a practical choice for retail, events and giveaways. With a gusseted side, long shoulder straps and a rectangular shape it provides useful capacity while remaining compact. The cotton fabric has a soft, everyday feel and requires simple care (cold wash recommended depending on use).

Visible details include side seams and stitched handles at the top, giving a consistent carrying performance. The bag is offered in several colours (for example: Black, Blue, Red) and folds flat for easy storage between uses.

This personalised shopping bag is produced to order with a minimum of 50 pieces (minimum order: 50 pieces, colours combined). Customisation options: flex, screen printing on objects, multicolour transfer and DTF printing. Suitable for businesses, sports clubs, associations, schools and promotional events — our design studio can vectorise and adapt your logo for production.
