DESCRIPTION

Compact desk fan in ABS (Ø10.5 x 21 x 4 cm) designed for desktop and on-the-go use. The cylindrical handle and protective grille provide a secure grip; the front on/off button makes operation straightforward. Supplied with a USB cable and offering an airflow speed of 4 m/s. This is a non-textile item, sturdy and easy to position on a desk thanks to its base.

The unit features a smooth ABS finish and a safety grille around the blades to protect fingers while maintaining air circulation. Maintenance is limited to regular dusting of the grille. Available in 1 colour: white. Note the minimum order quantity: 20 pieces (colours and sizes combined).

Customisation available by pad printing or digital printing to mark the base or front face. Suited to companies, events, associations and corporate gifts seeking a practical, visible personalised desk accessory.
