Reference	9609
Composition	Others
Material	Others
Average weight	0.125
Dimensions	Ø7 x 4,3 CM
Country of origin	China
Carton	50 pieces

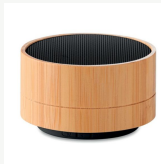

DESCRIPTION

Compact wireless speaker with a natural bamboo casing, ideal for portable use or on a desk. Its cylindrical shape (Ø7 x 4.3 cm) and top grille deliver 3W output suited to small rooms. It features a built-in 450 mAh rechargeable Li-ion battery, a micro-USB cable included and a small indicator light at the base. As bamboo is a natural material, individual pieces show slight variations in grain and finish.

The smooth bamboo shell displays vertical grain and a discreet seam around the midline; the grille and control buttons (M, play/pause, volume) sit on the base beneath the body. Lightweight and easy to carry, clean with a damp cloth and avoid prolonged exposure to moisture.

Customize this speaker with laser engraving, pad printing or doming — suitable for companies, sports clubs, associations and private customers. Promotional item: minimum order 25 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
