DESCRIPTION

The California Touch sunglasses combine a PC front frame with bamboo temples for a vintage look and lightweight feel. Lenses provide UV400 protection for reliable sun filtering. As bamboo is a natural material, small variations in tone and texture can occur, giving each pair a distinct character.

The frame follows a classic Wayfarer silhouette with straight temples and a shape that offers good coverage. Compact dimensions (14 x 4.5 x 14 cm) make this model practical as an event giveaway or corporate gift. The PC front with bamboo arms delivers a warm, tactile finish while keeping the glasses light to wear.

These personalised sunglasses can be marked by laser engraving or pad printing (tampography). Minimum order: 150 pieces. Suitable for companies, sports clubs, associations, events and private customers seeking an attractive promotional item; free quote within 24 hours on weekdays and standard production available.
