DESCRIPTION

Ellwood Lux cutting board in alder wood from the EU, designed for kitchen use. Its elongated rectangular shape with an integral handle makes food preparation and presentation easier. Measuring 18 x 37 x 1.2 cm, it provides a stable surface for slicing and serving. Hand washing is recommended to protect the wood.

The board features rounded corners and slightly chamfered edges to reduce wear and improve grip. The perforated handle comes with a cord loop, convenient for hanging and saving storage space. The natural wood finish shows subtle grain details with no additional treatment stated.

Customise this item as a personalised cutting board using laser engraving and pad printing. Suitable for companies, sports clubs, associations, events and corporate gifts. Minimum order: 33 pieces (colours and sizes combined).
