DESCRIPTION

This personalised cosmetic pouch is a flat PVC toiletry bag designed for storing and carrying care products. Its compact dimensions (17.5 x 5 x 15 cm) make it easy to slip into a handbag or suitcase. The transparent PVC material allows quick identification of contents, and the top zip provides simple, secure closure for everyday use.

The design is clean and practical: discreet seams, a low-profile base and a zipper that gives easy access to items inside. It is straightforward to keep clean with a wipe-down. The size is well suited to travel cosmetics, event toiletry kits or as a useful corporate or promotional gift.

Customisation is available by screen printing on objects. This Cosmobag is aimed at companies, associations, sports clubs and individuals seeking a functional promotional item. Minimum order quantity: 100 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo for printing.
