DESCRIPTION

Practical lunchware set including two reusable bamboo straws (Ø0.8 x 19 cm), a stainless steel and nylon cleaning brush and a cotton pouch with drawstring. Bamboo provides a natural, lightweight feel; as a natural material its thickness and surface can vary. Suitable for everyday use and easily cleaned with the included brush.

The drawstring pouch keeps the items tidy and portable. The visible bamboo grain gives a simple, warm appearance and the straws are sturdy enough for cold and mildly warm drinks. Note: this item has a minimum order quantity of 100 pieces (colours and sizes combined).

Customisation is available by personalised lunchware using flex, multicolour transfer, DTF printing, screen printing on objects and laser engraving — perfect for companies, sports clubs, associations, events and private customers. We provide a free quote within 24 hours on weekdays and offer a graphic studio to retouch or vectorise your logo if needed.
