DESCRIPTION

The Fresa Soft is a lightweight cotton foldable shopping bag (105 g/m²) in a compact 38x40 cm size, designed for easy storage. Classified as a non-textile item in our catalogue, it features short handles for hand or forearm carry and an integrated pocket that doubles as a storage pouch. Its rectangular cut and soft material keep bulk to a minimum when folded.

The bag folds into its pocket, which includes a drawstring to secure it when packed. The construction focuses on practicality with simple seams and a functional finish, making it suitable for light shopping, trade shows or welcome packs. Measurements: 38x40 cm.

Personalise this personalised shopping bag using flex, screen printing on objects, multicolour transfer or DTF printing. Recommended for companies, sports clubs, associations, events and private customers looking for a foldable bag in larger quantities. Minimum order: 100 pieces (colours and sizes combined).
