DESCRIPTION

The Flasma Plus is a rechargeable USB lighter in ABS, designed for everyday indoor use. It houses a 220 mAh Li-Ion battery and includes a USB charging cable. Its slim, elongated profile makes it convenient to store in a drawer or a kit, and it is suitable for lighting candles or small household items.

The lighter features a retractable section protecting the electric arc, a sliding ignition switch and a side charging port. With compact dimensions of 20.5 x 2.7 x 1.7 cm it offers a good grip and practical handling. Care is minimal: recharge the battery when needed and wipe the exterior with a dry cloth.

This item can be customised by digital printing, doming or pad printing. Ideal for companies, events, clubs, associations and private customers. Minimum order: 30 pieces (colours and sizes combined).
