DESCRIPTION

The Wide Lany neck strap in POM is designed for carrying badges and keys comfortably. With a width of 25 mm and dimensions 2.5 x 90 cm it sits well around the neck; the POM material is durable and easy to care for, making it suitable for regular use at events, trade shows or on-site teams.

The lanyard features a metal clip for badges or keyrings, a detachable buckle and a safety breakaway that releases under tension. It is available in several colours — for example Black, Blue and Red — and presents a clean finish without visible seams.

This personalised lanyard can be customised by screen printing, multicolour transfer, DTF printing, flex or sublimation depending on the desired marking. Minimum order: 250 pieces (colours and sizes combined) — promotional items have their own minimum per reference. We provide a free quote within 24 hours on weekdays, a graphic studio to retouch or vectorise your logo, and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
