DESCRIPTION

Personalised powerbank in bamboo, suitable for charging smartphones and small devices via a DC 5V/1A output. This slim, unisex rectangular model measures 11.5 x 7 x 1.2 cm and features a smooth bamboo casing; as a natural material the bamboo shows slight variations in colour and grain. Wipe clean with a dry or lightly damp cloth.

The unit includes an LED indicator, a USB output, a micro-USB port and a Type-C connector, and comes with a USB cable. Its low profile makes it easy to carry in a pocket or bag and the bamboo surface provides a stable base for branding.

We can personalise this powerbank by laser engraving, screen printing on objects or pad printing — suitable for companies, sports clubs, associations, schools and events. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our design studio can vectorise your logo.
