DESCRIPTION

Double-walled stainless steel mug with a 300 ml capacity, finished with a bamboo outer layer, an integrated handle and a rotating lid. The stainless steel interior and base provide durability and thermal stability while the bamboo cladding gives a warm, tactile feel; bamboo is a natural material and may show slight variations in colour and grain. Size: 11 x 10.5 cm.

The mug features a visible stainless rim and a bamboo-formed handle, making it practical for everyday use at the office or on the move. The rotating lid helps reduce spills; clean following standard precautions for mixed bamboo/metal items (avoid prolonged soaking of the bamboo).

Can be personalised from a minimum order of 23 pieces (colours and sizes combined) using laser engraving or pad printing. Suited for companies, promotional events, clubs, associations, schools and individuals seeking a durable branded item. Available marking techniques: Laser engraving, Pad printing. personalised mug
