DESCRIPTION

Bamboo smartphone stand, model Apoya, for desk use. Compact at 7.5 x 6 x 2 cm, it holds a phone upright in a stable slot. Bamboo provides a smooth, sturdy surface and natural variations in grain and tone, so each stand is slightly different.

The low-profile, rounded design has no moving parts and sits neatly on a desk or meeting table. Its simple form makes it easy to handle and clean with a damp cloth while ensuring reliable support for your device.
