Average weight	0.057
Dimensions	9 x 9 x 0,8 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Compact personalised wireless charger (9 x 9 x 0.8 cm) designed for Qi-compatible smartphones. Its bamboo surface provides a natural, warm finish with inherent grain variation. The slim, flat design makes it convenient for desks, reception areas or event tables. It includes two USB 2.0 ports and a DC output 5V/1A (5W) alongside the wireless charging function.

The unit features smooth edges and a flat base for stable placement; the bamboo construction means individual pieces may show natural differences in pattern and tone. Its size and connectivity make it suitable for everyday use in offices, retail spaces or at corporate events.

Customisation is available by laser engraving, digital printing and pad printing, making this charger a practical promotional gift for companies, clubs, associations, events or private clients. Minimum order: 50 pieces. Free quote within 24 hours on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
