DESCRIPTION

The Big Chan 900 ml stainless steel vacuum bottle offers double-wall insulation for hot or cold drinks and a discreet matte finish. Its tall cylindrical shape (Ø8 x 32 cm) and stainless screw cap provide a secure grip and leak-resistant transport, making it practical for commuting, outdoor activities or everyday use. The stainless construction is easy to clean — rinse by hand and leave the cap open to dry.

The photographed model shows a clean, robust silhouette with a smooth body and reinforced-looking base and cap; there are no fabric parts or external handles, so it slips easily into bags or cup holders. The straightforward design also minimises areas where dirt can collect.

This personalised bottle is available from a minimum order of 5 pieces (colours and sizes combined); lower quantities can be arranged with additional fees. We offer customisation by laser engraving, DTF printing, screen printing (object), pad printing and doming. Suitable for companies, sports clubs, associations, events and private gifts; free quote within 24 h on weekdays and our studio can retouch or vectorise your logo.

COLOURS (1)
