DESCRIPTION

Compact bamboo phone stand (10x6x3.4 cm) designed to hold a smartphone horizontally while offering a side cavity that functions as a passive amplifier. The Caracol model features smooth finishes and gently rounded edges for comfortable handling and stable placement. Made from natural bamboo, the item shows slight variations in grain and texture.

Its simple design suits desks, receptions and event giveaways; there is room for a charging cable and a flat top for small items. Care is straightforward with a damp cloth; avoid prolonged immersion to protect the bamboo. The product is FSC® certified.

Customisation options include digital printing, doming, laser engraving and pad printing, making it suitable for companies, associations, events and individuals seeking an eco-friendly promotional gift. Minimum order: 50 units. personalised computer accessory
