DESCRIPTION

The "Belize" set includes two double-walled espresso glasses paired with bamboo saucers, 60 ml capacity and overall dimensions 18.5 x 9.5 x 6 cm. The double-wall design provides insulation for a short espresso and the small handle ensures a secure hold. The bamboo saucers give a natural, sturdy finish; as bamboo is a natural material, slight variations in colour, pattern and size may occur.

Presented in a kraft paper box, this set is convenient for gifting or event distribution. The clean lines of the glasses and the square bamboo bases make them easy to display and store. Care: wash the glasses by hand when possible; treat the bamboo gently (avoid prolonged soaking and intensive dishwasher cycles).
