DESCRIPTION

Small unisex cotton gift bag, practical for packaging small items for events, promotions or retail. Made from cotton at approximately 105 g/m², it has a simple, soft construction that folds flat for easy storage. Measuring 14 x 22 cm, it suits jewellery, samples, party favours and small accessories; cotton is best cared for with a gentle wash to maintain the fabric.

The bag closes with a braided drawstring that also forms two side loops, visible on the product, giving a secure closure and a tidy silhouette when drawn. Finishings are minimal—side seams and a flat base provide modest structure and ease of use. Available in several colours, including beige.

This personalised gift bag can be branded using screen printing, multicolour transfer, DTF printing or flex. Appropriate for companies, sports clubs, associations, events and private clients. Minimum order: 200 pieces (colours and sizes combined). A free quote is provided within weekdays and our studio can retouch or vectorise your logo.
