DESCRIPTION

Medium cotton gift bag (25 x 32 cm) with a simple drawstring closure and a straight cut, offering a natural touch and a matt appearance suitable for gift packaging, event giveaways and small promotional items. The cotton construction provides a flexible structure that lies flat for storage and is easy to handle; gentle machine wash on low settings and air drying are recommended to maintain the fabric.

Practical details include a double cord drawstring that secures the contents and visible side seams that reinforce the bag while keeping it lightweight. The dimensions are well suited to cosmetics, accessories and small textiles, making the bag a versatile choice for bulk events and curated gift sets.

Customisation options for businesses, clubs, associations, events and private customers include screen printing, multicolour transfer, DTF printing and flex. Minimum order quantity: 200 pieces (colours and sizes combined). Request a quote in week days — ideal as a personalised gift bag for promotional use.
