Material	PP
Average weight	0.228
Dimensions	20 x 14 x 6.5CM
Country of origin	China
Carton	30 pieces

DESCRIPTION

PP lunch box with a 750 ml capacity, designed for everyday meals on the go. The oval shape and rounded edges make it easy to store, while the lid includes a small vent for microwave use and clips on securely to keep food fresh. It is microwave- and dishwasher-safe; the sides fold to form a carry-handle for easy transport. Available in several colours, for example Black and Royal Blue, sold as the Lux Lunch. Dimensions: 20 x 14 x 6.5 cm.

The lid uses lateral clip closures to ensure a tight seal, and a small flap lets steam escape when microwaving. The smooth PP finish is easy to clean and the box remains lightweight, practical for both adults and children. Its proportions suit packed lunches for work, school or outings.

This personalised lunch box can be printed by digital printing or pad printing. Ideal for companies, events, schools, sports clubs and private customers. Minimum order: 15 pieces (colours and sizes combined); smaller quantities are possible with additional fees. We offer a graphic studio service to vectorise or refine your logo and provide a free quote on weekdays.
