DESCRIPTION

The Hug Me rabbit comforter towel for babies features a soft polyester velour face with a stitched rabbit head at the top that makes it easy for little hands to hold. At 31 x 37 cm it’s a compact comforter ideal for nappy bags or as a soothing item for infants. The piece is finished with a contrasting trim and a small hanging loop on the head for drying after wash; suitable for machine washing given the polyester construction.

The square shape combined with the plush head provides both comfort and ease of handling; the edged binding and visible stitching help preserve the item’s durability in regular use. The model is offered in one colour (white) and includes decorative fabric detailing on the ears and edging.

This personalised baby towel is well suited to companies, sports clubs, nurseries, associations, events or as a personal gift. Marking options: transfer, flex, DTF printing and embroidery. Minimum order: 125 pieces (colours and sizes combined).
