DESCRIPTION

Unisex PET hotel slippers in EUR size 43-44, supplied with a non-woven drawstring pouch. The slip-on design with open heel and flat sole makes them suitable for temporary use in guest rooms or at events. The PET construction gives a smooth, lightweight finish, easy to pack in the pouch for travel. Listed dimensions: 28.5 x 11 cm.

The drawstring pouch protects the slippers during transport and is convenient for welcome kits or travel sets. Visible edge stitching reinforces the shape without adding bulk. Care is straightforward: intended for limited-use or spot-cleaning depending on the PET material and intended use.

Customisation options include screen printing, multicolour transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers looking for personalised slippers as hospitality gifts. Minimum order: 50 units (colours and sizes combined).
