Reusable bamboo cutlery set for on-the-go meals and lunch. This unisex set includes a fork, spoon and knife made from natural bamboo, a material that shows slight variations in colour and grain. Lightweight and pleasant to hold, the items are best washed by hand and fit neatly into the included canvas pouch for easy transport.

The pouch closes with a drawstring to protect the cutlery during travel; the set measures approximately 21.5 x 6 cm. The design is simple and practical with durable finishes suited to everyday use. Bamboo provides an eco-friendlier alternative to disposable utensils while retaining a natural look and feel.

This personalised lunchware can be marked by flex, screen printing on objects, multicolour transfer, DTF printing, laser engraving or pad printing. Ideal for companies, clubs, associations, events and private customers seeking a useful branded gift or lunch kit.
