DESCRIPTION

This compact round mirror is designed for daily grooming; the Guapa Cork combines a metal case with a natural cork cover. At Ø6 x 1.6 cm it is pocket- and bag-friendly for quick touch-ups. The cork provides a secure grip and a natural look, while the mirror is double-sided for standard and magnified views. For care, avoid prolonged moisture on the cork and wipe metal surfaces with a soft cloth.

Details include a discreet hinge and well-aligned mirrors; due to the cork's natural texture and porosity, print results may vary slightly between items. Please note a minimum order of 100 pieces (colours and sizes combined).

We can personalise this compact using laser engraving, screen printing on objects or pad printing — suitable for companies, sports clubs, associations, promotional events and gifts for individuals. A practical personalised Soins option for understated branded giveaways.
