DESCRIPTION

The Aspen Glass 650 ml bottle is made from soda-lime glass with a stainless steel screw cap and is designed for non-carbonated drinks. With dimensions Ø6.8 x 26 cm, its slim profile fits cup holders and bags; the cap provides a leak-resistant closure. Care is straightforward—rinse with warm water and air-dry—and avoid heavy impacts to prevent breakage.

The pictured model shows a smooth, tapered body and a slightly indented base for stability. It is offered in several colours, for example Black, White and Transparent, making it suitable for daily use at the office, events or on the move. Please note the minimum order is 20 pieces (colours and sizes combined).

This personalised bottle can be customised using digital printing, screen printing on objects, doming, laser engraving or pad printing. Ideal for companies, sports clubs, associations, events and private customers. Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, standard production 10 working days, collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
