DESCRIPTION

This stainless-steel vacuum insulated bottle, model Patago, holds 425 ml and is fitted with an additional removable tea infuser for brewing loose-leaf tea on the go. The double-wall construction helps maintain beverage temperature while the screw top and slim cylindrical shape make it comfortable to hold and easy to carry. Cleaning is straightforward: rinse after use and remove the infuser for thorough washing.

The bottle features a metallic finish and an elongated profile that fits cup holders and bags. The base and cap are designed to reduce leaks and ensure a secure seal. It is available in several colours, for example Turquoise, Black or Matte Silver, and its compact dimensions (Ø6 x 22.5 cm) suit commuting, office use and events.

Customisation options include laser engraving, pad printing, digital printing, screen printing on items and doming. A personalised bottle well suited to companies, sports clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; graphic studio available to vectorise your logo; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
