Trowel shape bottle opener

Ref. 9811

Reference	9811
Composition	Stainless steel
Material	Stainless steel
Average weight	0.12
Dimensions	28,5 x 8 CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

This kitchen utensil with a garden-inspired design pairs a stainless steel blade with a wooden handle for a comfortable, natural grip. The 28.5 x 8 cm blade is suitable for small digging, scraping or scooping tasks, and includes a built-in bottle opener for added utility. The item is best cleaned by hand; the wooden handle benefits from occasional care to maintain its finish.

The pictured model shows a shaped handle with a hanging cord, providing secure handling and easy storage. The steel-and-wood construction gives practical durability for regular use, without additional fittings such as pockets or fastenings.

Customisable by laser engraving or pad printing, this personalised kitchen utensil is ideal for companies, events, clubs, associations and private gifts. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production and options for collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
