DESCRIPTION

This 500 ml double-walled stainless steel bottle combines a slim, practical silhouette with an insulating screw cap to keep drinks hot or cold on the move. With dimensions Ø7 x 25.5 cm it fits easily into a day bag and its stainless construction is durable and straightforward to care for (hand wash recommended after heavy use).

The narrow neck and leak-resistant screw top reduce spill risk while the double wall prevents condensation on the outside. Offered in several colours — including Black, White and Matte Silver — it suits everyday commuting, outdoor breaks and corporate gifting.

Available from a minimum order of 13 pieces, this personalised bottle can be marked by laser engraving, screen printing on objects or pad printing (tampography). Suitable for companies, clubs, associations, events and private customers. Free quotes within 24 hours on weekdays and our graphic studio can retouch or vectorise your logo.
