DESCRIPTION

Menorca beach bag in cotton, measuring 55x15x39 cm, ideal for carrying light items to the beach or for shopping. The cotton fabric offers a natural feel and a soft, flexible structure; the wide rope handles pass through metal eyelets for comfortable carrying and good weight distribution.

The design is straightforward: a single large compartment without closure and a flat base to help the bag stand upright. Visible stitched seams ensure practical durability. Care should follow standard cotton garment recommendations. The bag is offered in several colours, for example Beige, Blue or Turquoise.

This personalised sports and outdoor bag is available from a minimum order of 25 pieces (colours and sizes combined). Customisation options include flex, screen printing on object, multicolour transfer, DTF printing and embroidery. Suited to companies, sports clubs, associations and promotional events; our graphic studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
