## DESCRIPTION

This cotton two-tone pouch is designed for storing toiletries and cosmetics. Its rectangular shape and reinforced base provide stability, while the cotton material gives a natural look and is easy to care for. At 21.5 x 5 x 15 cm it is compact enough for a handbag yet roomy enough for brushes, tubes and small bottles. The pouch is available in several colours such as black, blue or red.

The pouch features a matching zip with a practical pull for smooth opening. The contrasting base adds structure and protects the bottom during frequent use; visible stitching and a clean finish make it suitable for everyday use in a professional setting or as a gift for events and associations.

Customised options include flex, screen printing on objects, multicolour transfer and DTF printing. Suitable for businesses, clubs, associations, events and individuals who want a practical promotional item. Minimum order: 100 pieces (colours and sizes combined).
