DESCRIPTION

The Pouchlo is a business laptop sleeve in RPET felt, made to fit 15" laptops. Its slim, flexible profile and 2 mm felt thickness provide lightweight protection while keeping the sleeve compact for slipping into a briefcase or bag. Care is straightforward: gentle hand-clean where necessary.

The sleeve features a flat front pocket and a flap secured with a hook-and-loop fastener for quick access and secure closure. Measuring 37 x 26 cm, it suits 15" laptops; the RPET felt has a matte, slightly structured look without being rigid.

Ideal for companies, clubs and events looking for a personalised business bag: customisation available by flex, screen printing on objects, multicolour transfer or DTF printing. This promotional item has a minimum order of 50 pieces (colours combined); smaller quantities can sometimes be produced for an additional fee.
