DESCRIPTION

Compact EVA toiletry bag (19x7x14 cm) designed to hold toiletries and travel essentials. The mesh-like EVA construction gives structure while remaining flexible; the black zip provides easy access. Suitable for everyday use, travel and communal changing areas.

The rectangular shape with a flat base offers stable positioning on surfaces. Welded seams and the water-resistant material make cleaning straightforward — a wipe with a damp cloth is usually sufficient. Short side tabs facilitate carrying and handling.

This personalised toiletry bag can be decorated by screen printing. It’s a practical choice for companies, events, associations, clubs and private customers looking for a usable branded gift. Minimum order: 75 pieces (colours and sizes combined).
