Mouse mat for sublimation

Ref. 9833

Reference	9833
Composition	PET
Material	PET
Average weight	0.061
Dimensions	22 x 18 x 0.2CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Sulimpad mouse mat is a practical desk accessory designed for everyday workstation use. The PET top layer accepts sublimation printing while the rubber backing provides secure grip on flat surfaces. At 22 x 18 cm and 0.2 cm thick, it is compact enough for small workspaces and portable keyboards. The mat is low-maintenance and can usually be wiped clean with a damp cloth.

The pad has rounded corners and a regular rectangular shape, giving a smooth, uniform tracking surface for the mouse. The non-slip rubber underside keeps the mat steady during use. The PET surface reproduces colours accurately when personalised by sublimation.

Customisation via sublimation makes this a great option for personalised accessories for businesses, sports clubs, associations, events and corporate gifts. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our design studio can retouch or vectorise your logo.
