DESCRIPTION

The Natu Pouch cotton pouch is designed to hold pens and small desk items. Its elongated cylindrical shape and 22x7cm dimensions, with a matching zipper, provide compact, easy-to-carry storage that fits into a bag. The cotton material gives it a natural feel and a soft, flexible structure; spot cleaning is usually sufficient to maintain it.

The pouch has a simple cut with no internal compartments visible on the photo, but features reinforced side seams and a small zipper tab for easier handling. Its size accommodates pens, markers, USB sticks or small presentation tools while remaining compact for everyday use at the office, school or events.

This personalised pouch can be printed using screen printing (object), multicolour transfer, DTF printing or flex, suitable for both simple logos and more detailed artwork. The product is subject to a minimum order of 150 pieces (colours and sizes combined) — ideal for companies, associations, clubs and event giveaways.
