DESCRIPTION

Large flat pencil case in woven paper (PP), measuring 21 x 12.5 cm, designed to hold pencils, pens and small desk accessories. Its flat profile with a top zip and stitched edges offers a clear, practical surface that makes organisation and printing straightforward. The polypropylene material feels slightly rigid while remaining lightweight and can be wiped clean.

Finishing is minimal and neat: a discreet full-width zip, low depth to keep the case compact, and visible stitching that helps retain shape. The size is well suited for school supplies, corporate giveaways and event merchandising.

Customisable as a personalised pencil case using screen printing on objects, multicolour transfer, DTF printing or flex. Ideal for companies, sports clubs, associations, events and private customers. Minimum order: 200 pieces (colours and sizes combined) — not sold per piece. Our graphic studio can vectorise your logo; free quote within 24 hours on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
