DESCRIPTION

The Montevideo straw hat is designed for relaxed summer wear and outdoor activities. Its woven straw construction provides a lightweight, breathable structure with a slightly pinched crown and a turned-up brim that keeps its shape without feeling stiff. Available in several colour options including Black and White, with dimensions Ø27x12cm. Care is straightforward: avoid excessive moisture and prolonged folding to maintain shape.

The hat is supplied with an elastic band that is not sewn to the article — for non-printed orders the band will remain detached. The woven finish and brim offer natural ventilation and everyday comfort, while the compact dimensions make storage simple.

Customize this personalised hat using screen printing on objects, multicolour transfer, DTF printing, flex or sublimation depending on the desired result. Suitable for companies, sports clubs, associations, events and private customers; please note a minimum order of 60 pieces (colours and sizes combined).
