## DESCRIPTION

A cotton shopping bag with long handles for everyday use. Rectangular cut measuring 38x42 cm in 180 g/m² canvas, a natural fabric that sits comfortably on the shoulder thanks to the long straps. Easy to care for with normal cotton washing. The flat format suits carrying documents, light shopping or promotional items.

The model features an open top without a closure and visible stitching that contributes to the bag's durability. Its simple construction has no inner pockets or gussets, offering a compact, lightweight solution with a large, flat printing area for clear branding.

Order this personalised shopping bag using our marking techniques: screen printing, multicolour transfer, flex, DTF printing or embroidery. Recommended for companies, sports clubs, associations, events and private customers. Minimum order quantity: 100 pieces (colours combined).
