DESCRIPTION

The Marketa + cotton shopping bag is a simple rectangular tote (38x42 cm) with short handles stitched to the top edge. Made from cotton, it provides a comfortable grip for markets, trade shows and everyday use. Its flat cut and visible edge seams give it a steady structure for carrying light to medium-weight items. Care is straightforward: hand wash or machine wash on a low setting following usual cotton care.

The open-top design makes the bag easy to fold and store; the clean finish has no pockets or reinforcements, reducing areas of stress during decoration. Available in several colours, for example beige, it is suitable for daily use and as a giveaway at events or promotions.

Customize this personalised shopping bag using flex, screen printing, multicolour transfer or DTF printing. Perfect for companies, sports clubs, associations, events and private clients. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
