DESCRIPTION

The Helsinki Basic Tritan bottle (800 ml) is designed for everyday use by businesses, clubs and events. With dimensions Ø7 x 26 cm its slim profile makes it easy to hold and carry. Made from Tritan, the bottle is lightweight and clear; it is leak-proof but not suitable for carbonated drinks. The base is stainless steel and the cap features a bamboo insert — bamboo being a natural material with slight variations in appearance.

The cap includes a metal carry handle for easy transport or hanging, while the stainless base adds stability and protection. The smooth body is straightforward to clean by hand. This item is not available per piece: minimum order 10 pieces (colours and sizes combined).

Customisation options for a personalised bottle include Digital printing, Screen printing on object, Pad printing and Laser engraving. Ideal for corporate gifts, club merchandising, association events and promotional campaigns; our graphics studio can vectorise or refine your logo. Free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
