DESCRIPTION

This Zip Lanyard is a PET badge holder with a 20 mm wide strap and a 90 cm length, featuring a metal clip at the top and a retractable badge reel at the bottom. Lightweight and practical, it is suited to daily use for events, receptions, staff or volunteers. It is available in several colours, for example Black, White and Royal Blue.

The build is straightforward and robust: a flat strap with reinforced stitching at the attachment points and a compact reel to keep the badge accessible without getting in the way. No special care is needed — occasional cleaning with mild soap and water will keep it in good condition.

Personalise this personalised lanyard using digital printing, doming, pad printing, screen printing on objects, multicolour transfer, DTF printing, flex or sublimation depending on the desired finish. Minimum order: 250 pieces (colours combined). Suited to companies, clubs, associations, events and private customers. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
